

# DEVIATION ROAD

## MUSEUM RELEASE

### SHIRAZ PACK

#### 2007 IRONBANK SHIRAZ

**Tasting notes:** 65% Shiraz, 35% Cabernet Sauvignon. Cigar box, stewed plum with fine tannins. Herbal lift over Christmas cake richness. Aniseed spice. Balsamic notes. Fresh finish.

**Vintage notes:** A vintage well remembered for the combination of repeated frost events and significant drought. As a result, yields were low but the fruit which was picked showed highly concentrated flavour.

**Drinking window:** Drink now

#### 2015 IRONBANK SHIRAZ

**Tasting notes:** 88% Shiraz, 12 % Pinot Noir (the first Ironbank release to feature Pinot Noir!). An elegant style of shiraz with soft tannins and acid, and a fresh, juicy palette.

**Vintage notes:** Despite some unseasonal weather throughout the growing season, the vintage produced wines with excellent acid balance and strongly developed flavours and colour.

**Drinking window:** Now to 2026

#### 2009 RESERVE SHIRAZ

**Tasting notes:** A rich, medium to full bodied Shiraz. Excellent texture and pallet weight. Stewed fruits, hay and plum. Layered and complex, opening up to herbal and spice notes.

**Vintage notes:** The quality of the vintage was high thanks to optimal ripening conditions of cool nights throughout February and March, producing grapes with good acid at maturity.

**Drinking window:** Now to 2026

#### 2012 MARY'S RESERVE SHIRAZ

**Tasting notes:** Excellent cool climate style, showing dense, blue fruits. Chalky tannins. Spice, Christmas cake and tobacco. Fresh palate.

**Vintage notes:** Another mild vintage, resulting in a long, slow ripening period. This allowed for intense fruit flavours, high acidity and colour intensity.

**Drinking window:** Now to 2027
